Acting is fun; it builds confidence and sparks creativity. It develops self-esteem and determination.

Dear Parents/Careers,

Centre Stage Drama School offers extracurricular acting courses for children and young adults. The school was founded in 2003 and currently holds classes at Theydon Bois Primary School, Davenant Foundation School and Bishop's Stortford College Prep school.

Classes are great fun and really help with a child's confidence, expressiveness, and imagination. During the term we focus on **acting techniques, speech, voice work** and **movement**. Our program includes **drama games, improvisation, script work, scenes and plays**. Older students from year 3 onwards, will have the opportunity to take **LAMDA** speech and drama exams in July. We usually aim to put on a school assembly (parents invited), showcasing the older children's LAMDA work in the Summer Term, and students can also perform their drama pieces at the school summer concert. Parents of younger children are invited to a watching week.

Some of our recent student successes include:

- **Superb Autumn 24 LAMDA results with all high merits and distinctions!**
- Current student involved in new major movies**: Ready Player One** directed by **Steven Spielberg**, '**King Arthur and the Knights of the Round Table**' directed by **Guy Ritchie**, **3D IMAX movie Amazon Adventure** directed by Mike Slee and **Hunter Killer** directed by Donovan Marsh starring **Gerard Butler**.
- Centre Stage Alumni **Naomi Scott** is **'Princess Jasmine**' in Disney's '**Aladdin**' with **Will Smith,** '**The Pink Power Ranger'** in the **Power Rangers Movie** and one of the 'Angels' in '**Charlies Angels'**.
- **Oscar winning** '**The Imitation Game**' stars one of Centre Stage Drama's long attending students and current technical director, **James G Nunn**. James also stars as **Will Scarlett** in **Robin Hood: The Rebellion** on **Netflix** alongside a notable cast including **Brian Blessed**.
- Centre Stage Student receives a ***BAFTA*** (First Light) young film maker's award.
